

What We Believe

1. God

We believe in one God who exists forever in three Persons: God the Father, God the Son, and God the Holy Spirit. God made all things and He is good, right and holy. We believe that God is love and this love is shown perfectly by the relationships between the three Persons.

2. The Bible

We believe that the Bible is God's Word and is accurate, true and important for every area of life. God's Word - the Bible - is our ultimate authority on all things.

3. The Human Race

We believe that all humans, both men and women, are created equally by God but with different skills and abilities. God was pleased with what He made and wanted to have a relationship with us. He wanted us to look after everything else He had made and He wanted us to worship Him. This makes both men and women incredibly valuable and precious. We believe that sin entered the world and has broken the relationship between men and women and God.

4. The Lord Jesus Christ

We believe that Jesus Christ is completely God and completely man. He was born by a miraculous virgin birth and lived a perfect life without sin, and followed God's plans perfectly. We believe that He was put to death on the cross in order to carry the punishment that we deserved for our sin. We believe He rose from the dead after three days showing that He has beaten sin and death. We can choose to accept His death and resurrection as a gift of mercy from God. If we ask God, He will forgive our sins, both past and future. Then we are able to have a personal relationship with God once more, just like He planned.

5. Salvation

We believe that being right with God is only possible because of what Jesus has done on the cross. We cannot earn this by what we do, or lose it by what we don't do. God forgives everyone who believes in Jesus and turn away from a life without Him. All people who believe in Christ are rescued only by their faith in Him. We are adopted into the family of God and receive eternal life. We are joyful because Jesus listens to us when we pray and we can know who He is. We believe that whether we spend eternity in either heaven or hell depends on our response to Jesus Christ.

6. The Future

We believe that one day Jesus will come back just as He promised at a time that only God knows. Then Jesus will restore creation and mend all the brokenness that sin has brought. There will be no more crying, hurting, pain or suffering for the whole earth.
